

Credit/No Credit

Any student may elect to be graded on a Credit/No Credit (CR/NC) basis subject to the following conditions:

1. Upper-division courses graded CR/NC taken at this or another institution may not be used to satisfy requirements for the student's major except for those courses identified as graded exclusively on a CR/NC basis.
2. No more than 24 CR/NC units taken at this institution may be offered in satisfaction of the requirements of a bachelor's degree program.
3. The student must elect the CR/NC grading policy option by the census date, the twentieth instructional day of the Fall or Spring term and by the sixth instructional day of the Winter term, unless the instructor agrees to establish a later date and verifies this agreement by signing the student's Add/Drop Form requesting the grade option change.
4. The only courses which may be repeated with a CR/NC option are those which the student previously took CR/NC.

The Credit (CR) grade is earned for C work or better (B or better in graduate courses). CR and NC grades have no effect on GPA. For more information, consult the University Catalog. **5/AS/84/EPC Approved June 14, 1984, amended December 6, 1990, 4/AS/05/UEPC Amended and Approved May 19, 2005**
