

CALIFORNIA STATE UNIVERSITY, STANISLAUS

OFFICE OF THE ACADEMIC SENATE

1/AS/11/RSCAPC—Policy for the distribution of faculty research funds raised by President Shirvani from private donors for the 2010-2011 Academic Year.

Be it Resolved: Academic Senate of California State University, Stanislaus approve the attached policy for distribution of \$100,000 in one-time research funds, and be it further

Resolved: that this policy only apply to the additional funds raised by President Shirvani in the Fall of 2010.

Rationale:

President Shirvani announced that he had raised \$100,000 from private donors to support faculty research, scholarship and creative activities in academic year 2010-2011. The Research, Scholarship and Creative Activity Policy Committee was directed by the Provost and SEC to develop a policy for the distribution of these funds. RSCAPC was instructed by the Provost that the parameters for the funds were that award and distribution be college-based, each college Dean give input to the award process, the source of funds not be a subject for policy consideration.

The direction to RSCAPC further indicated that this policy not serve as precedent for future distributions of funds.

Recent budget constraints have limited the opportunities for probationary faculty to meet RPT requirements.
